POPE'S VISIT

"Polish-born John Paul II inspired the drive to end communism in Eastern Europe. [Without him] there would be no end of communism, or at least much later and the end would have been bloody."

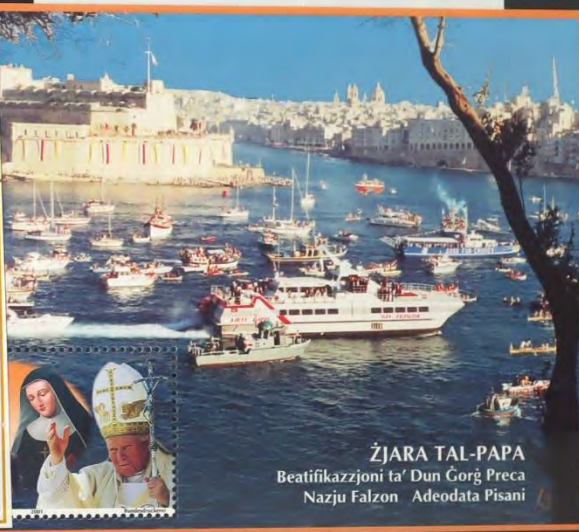

Lech Walesa,
Leader of Poland's Solidarity Movement

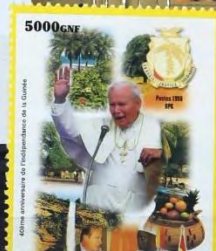

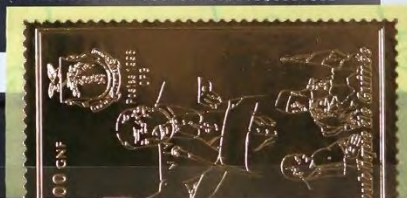

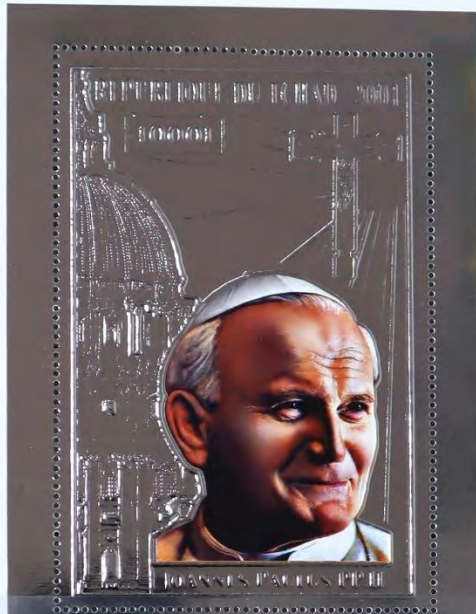

Pope John Paul II

1920 - 2005

Pope John Paul II was not content with tending merely to church affairs, he made the world's business his business; especially when it came to the children of the world.

LES BATISSEURS DE LA PAIX

Pape Jean Paul II Pape polonais de 1978 à 2005

Après des études au grand séminaire de Cracovie, Karol Wojtyla est ordonné prêtre de cette ville en 1946. Il gravit peu à peu les "échelons" de la hiérarchie ecclésiastique : évêque auxiliaire, archevêque, et enfin cardinal. C'est ainsi qu'à la mort de Jean-Paul Ier, il est élu pape, le 16 octobre 1978. Cible d'un attentat sur la place Saint-Pierre de Rome en 1981, il ne renonce pas pour autant à ses fréquents déplacements. Selon lui, l'une des principales responsabilités papales est l'action diplomatique. Et, de fait, son rôle ne fut pas moindre lors de l'effondrement du communisme dans les pays de l'est. Personnalité charismatique ayant une parfaite maîtrise des médias, il rassemble les fidèles de par le monde, mais tient aussi à renforcer le dialogue avec les autres religions - citons à ce titre la conférence oecuménique d'Assise en 1986 - et avec les jeunes, auxquels il accorde une place importante.

Partisan d'une forte implication de l'Eglise dans la société civile, il réaffirme haut et fort le maintien de valeurs traditionalistes, vis-à-vis du mariage, du préservatif et de la procréation par exemple. Le 264ème pape décède le samedi 2 avril à 21h37 après deux longs jours d'agonie.

Forever in our Hearts Pope John Paul II

"MILLIONS OWE HIM THEIR FREEDOM AND
SELF-RESPECT. THE WHOLE WORLD IS
INSPIRED BY HIS EXAMPLE.
HIS LIFE WAS A LONG STRUGGLE AGAINST THE
LIES EMPLOYED TO EXCUSE EVIL.
BY COMBATING THE FALSEHOODS OF
COMMUNISM AND PROCLAIMING THE TRUE
DIGNITY OF THE INDIVIDUAL, HE WAS THE
MORAL FORCE BEHIND THE VICTORY IN THE
COLD WAR."

- FORMER BRITISH PRIME MINISTER
MARGARET THATCHER
