A Decree published in the Malta Government Gazette of 6th December 1917 provided that on and from the 15th of that month an additional rate of ½ d on every letter and postcard and 3d on every parcel should be charged and denoted by means of stamps overprinted 'WAR TAX'.

15th December 1917 - Current issue stamps overprinted in tall thin sans serif capitals with the words 'WAR TAX' overprinted by Messrs. De La Rue in London.

Watermark – Multiple Crown CA. Perforation 14.

- MALTA -

Naval cover from Malta to Southsea, Hampshire, England dated 8th July 1918 bearing a pair of ½d Green definitive stamps and a single ½d Green WAR TAX stamp. All cancelled by two Valletta, Malta double ring cancellations. The cover is addressed to Fleet Surgeon Bishop and has no postal markings on the back.

A similar cover addressed to May & Baker in Battersea, London and dated 4th January 1919 with the same cancellations as above. Again there are no postal markings on the back.

- MALTA -

Active Service cover from Malta to Altrincham, Cheshire, England dated 28th August 1919. Bears a 1d Red definitive stamp and a 1/2d Green WAR TAX stamp each cancelled by an 'ARMY POST OFFICE H.D.1' single ring cancellation. Underneath the stamps is a purple handstamp with a cross in the centre and the words 'ON ACTIVE SERVICE' partly obliterated by the War Tax stamp. A manuscript 'O.A.S.' also appears on the front. It appears postage still had to be paid and there is no censure mark or label.

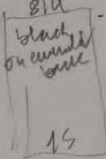

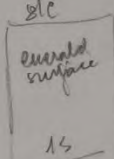

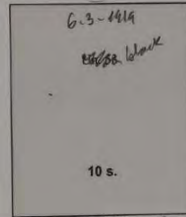

Registered cover from Valletta to Battersea, London dated 12th February 1919 bearing three 1d Red postage stamps and a 1/2d Green WAR TAX stamp all cancelled by two strikes of the Registered/Malta handstamp. On the rear is a No 37 Registered handstamp of Malta and a Battersea Registered receiving mark for 21st February 1919. Good legitimate use within the period.
