William Wyon's City Medal depicts the head of Queen Victoria, the UK's previous longest-reigning monarch.

The photograph of Queen Elizabeth II by Dorothy Wilding appeared on British definitive stamps from 1952 to 1967.

Arnold Machin's iconic profile of HM The Queen was introduced in 1967.

The Badge of the House of Windsor, featuring the Round Tower of Windsor Castle, has been in use since 1938.

The device is from The Queen's Personal Flag, created in 1962 for use in Commonwealth countries.
