AUSTRALIA DAY

Issued January 26, 1978.

No Watermark. Perf 13¼ x 13½

The Australian National Flag was proclaimed by an Act of the Australian Parliament in November 1953. The Union Jack occupies the top left-hand quarter of the flag. The large, white, seven-pointed star represents the six States and the seventh point represents the Territories. On the right-hand side, five white stars depict the Southern Cross constellation, which is only seen in the Southern Hemisphere.

AUSTRALIAN AVIATORS

Issued April 19, 1978

No Watermark. Perf 15¼, Miniature sheet imperf.

Long distances between main centres of population and good weather conditions for flying encouraged Australians to be among the earliest aviators in the world. The Australian aviators featured in this stamp issue are Harry Hawker (1889-1912), Bert Hinkler (1892-1933), Sir Charles Kingsford-Smith (1897-1935) and Charles Ulm (1889-1934). The miniature sheet commemorates the 50th Anniversary of the first Trans-Pacific flight.
