WASHINGTON 2006 WORLD PHILATELIC EXHIBITION

The 1606 voyage of Samuel de Champlain

Le voyage de 1606 de Samuel de Champlain

A skilled cartographer, Samuel de Champlain played a key role in French exploration of North America. In 1606, he served with a coastal expedition that began in what is now Nova Scotia and sailed as far south as modern-day Massachusetts.

Habile cartographe, Samuel de Champlain a joué un rôle clé dans l'exploration de l'Amérique du Nord au nom de la France. En 1606, il a participé à une expédition côtière, prenant la mer dans la région qu'on appelle aujourd'hui la Nouvelle-Écosse et naviguant loin au sud, jusque dans l'actuel Massachusetts.
