Mi Último Adiós

III Deja que el sol ardiendo las llamas escape
Tal todo torren puras con sus charcos en paz.
Deja que un ser amigo mi fin transcurra el día
En los caracoles habidos cuando por mi alma me
Ora también, Oh Patria, por mi destino a Dios!

Mi Último Adiós

IV Postrado de mi vida, mi ardiente ora anhelo
Sabes te quite el alma que pronto va a partir.
Salud! ah quisiera herirnos caer por darte vuelo,
Morir por darte vida morir bajo tu cielo
Y en tu encantada tierra la eternidad dormir.

Adiós

II Encanto ya me llevas de todas olvidado
No tenga como su piedra que marquen el lugar
Después que la are el hombre lo expone con la aguja
Y mis carceras antes que vuelvan a la nada,
El polvo de tu alforja que voy a formar

Mi Último Adiós

I Adiós, Patria adorado, región del sol querido,
Rota del mar de Oriente, nuestro por darte vida!
¡Dante voy a que la triste muerte vada!
Y fuera más brillante más fresca, o no fuese
También por ti la diosa, la diosa por tu bien.

GREAT ACHIEVERS IN PHILIPPINE ART

2002 YEAR OF THE HORSE 馬年

Marine Sanctuaries (Upper left), established as "no fishing" zones to replenish fish resources. Reef Monitoring (Upper right), monitor increase of coral cover to assess positive impact of conservation measures. Mangrove Rehabilitation (Lower left), increases essential nursery grounds for many fish species and protects coastline. Reformed Farming (Lower right), a good example of sustainable use of coastal resources, helps restore fishing grounds and generates income for coastal people.
