OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First. The development of acquaintance as an opportunity for service;

Second. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;

Third. The application of the ideal of service by every Rotarian to his personal, business, and community life;

Fourth. The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.

Tannu Tuva

Once part of Mongolia, the residents of this area claimed independence during the Russian Revolution in 1917. After a series of political discussions, Mongolia finally recognized the independence of Tannu Tuva in 1926. In 1944 the area was taken over by the USSR and continued as part of that country. Its status since the breakup of the former Soviet Union is unknown.

Stamps are seen from the area inscribed "TOUVA" and were regularly issued from 1926 until 1944 with the Russian takeover.

1996

Stamps again have appeared which may indicate a new independent status for the area.

A set of four stamps showing famous paintings is reported to have been overprinted in gold for the 90th Anniversary of Rotary International. According to the report, 1,000 were issued perforate and 500 were issued imperforate.

Once again, we have not seen these items but will illustrate them, as soon as we have artwork or original stamps in hand to photograph.
