Høje Tåstrup op herdenkingszegel

De opening van het nieuwe station Høje Tåstrup op 31 mei was voor de deense PTT aanleiding een herdenkingszegel van 2.80 Dkr uit te geven. Het nieuwe station, gebouwd op een traverse, ligt aan de lijn Roskilde-Kopenhagen. Voorlopig stoppen er alleen buurt- en S-baantrains. IC's en internationale treinen gaan pas stoppen als de elektrifikatie in Høje Tåstrup klaar is.
