se firmó el Tratado. En segundo plano, y de fondo, se observan las banderas de los países que forman la C.E. y un grupo escultórico en bronce. En la parte derecha, continúa el texto del Tratado que se iniciaba en el sello de 7 PTA.

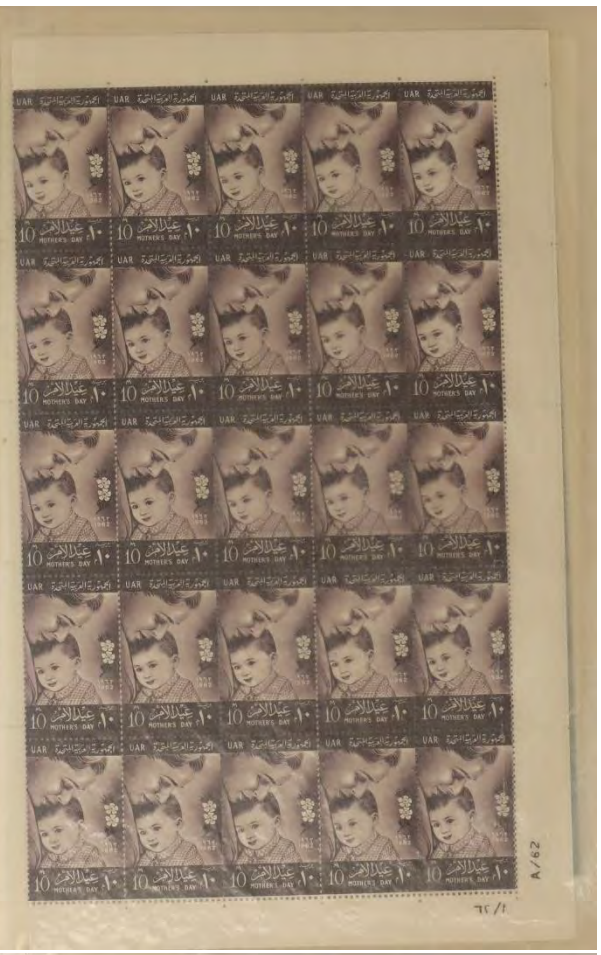

Sello de 45 PTA.—El grafismo del sello está formado por una figura geométrica resultado de la unión de exágonos regulares que llevan cada uno los colores de las banderas de los países que hasta la fecha formaban la C.E. Se le aproximan a este grupo dos exágonos unidos que llevan los colores de las banderas de Portugal y España. Todos los exágonos llevan estelas en proyección formadas por sus respectivas combinaciones de colores, pero ninguna es el portugués don Acácio Santos
