Nå skal vi levere dobbelt så bra i hele Norden.

I over 260 år har Posten vært opptatt av å levere post, på stadig nye og bedre måter. Vi har forbedret virksomheten og kjøpt en rekke post- og logistikkspesialiser som må samles i et nytt merke: **philigo**. I Postens nye logo vil du sikkert se familiekreten til philigo, selv om forklaringen er tydelig: Posten skal levere til hele det norske folk mens philigo skal tilby bedriftskundene post- og logistikkløsninger i Norge og Norden. Sammen skal vi finne nye veier til å levere dobbelt så bra!

Vær så god! Vi markerer begivenheten med å gi bort to frimerker til de som melder oss i dag.
